Holiday Party

CFCC Annual Holiday Celebration!

December 11th is the date and the VFW Post in Apopka is the place to be!

The address is: 519 S Central Ave Apopka, FL 32703

Holiday Party Time - 7:15 PM

All members are invited to join us in Apopka at VFW Post 10147 for our annual holiday celebration.

The club will be supplying the meat but we need for each of the attendees to bring a dish to share with everyone. It can be a side dish or a dessert.

We will also be collecting any new unwrapped toys to be given to Toys for Tots in our club's name as well as canned goods for the Casselberry Coin Club to give to a food bank.

There will be double LMAD and Education Prizes at this meeting.

Come on out ... you know you want to!!

Happy Holidays from all of the Officers and Directors here at Central Florida Coin Club

Stay safe and be happy!!

Featured Coin of the Meeting

For December, we will have our Holiday Celebration, and will not be featuring a “Coin of the Meeting”.

Keep your wallet’s handy, as the Coin of the meeting will return for the January meetings!

What Happened Here?

Each month, we will post photos of a coin that has some type of “problem”. The answer will be given in the following months Numis-Notes!

This Months Mystery-

For this month we have a 1941(P) Lincoln cent that seems to be struck with very, very late state dies.

But wait, is that what really happened? The answer will come next year.

Welcome New Members

Let's all give a big CFCC Welcome to our newest members-

No New Members this month

Why not bring a friend and introduce them to Central Florida Coin Club ?

Answer for last month.

Last month we looked at 1999-P Roosevelt dime that seems to have part of the reverse on the obverse and part of the obverse on the reverse. Is this a mint error?

This is another coin that has been manipulated outside the mint. One coin had a hole drilled into it and another coin was milled down to a size that would fit that hole. This is very complicated work that took time, but it is not a mint error.

YN Corner

There will be no YN meeting in December, but I am looking forward to seeing everybody at our Holiday Party!
Our next YN meeting will be in January.

Happy Collecting!
Dan Aidif

Only one meeting in November, due to proximity of Thanksgiving Holiday!

11/13- LMAD- Richard Pell, Janet Harris, John New, & Cliff Bedingfield could not answer “present” when their names were called, so **Paul Ihrig** was there-Chose envelope # 2, sold contents for \$24-And it was a 2 Peso Gold!

Educational Award- Keith Moon was not there, so **Skip Pfeiffer** went home with an educational certificate.

Membership-Bob Wollnick took home the silver dollar for being at the meeting.

[If you notice we had to expand this section due to the number of “NO SHOWS” at the meetings! Do your part to help out the newsletter publisher-come to the meetings and claim your prizes!]

Toys for Tots/Food Drive

Don't Forget to bring your NEW and UNWRAPPED toy for our Central Florida Coin Clubs “Toys For Tots” drive to the Holiday Party at the VFW Post. We can have them in hand not later than our holiday dinner (December 11). I will be delivering the Toys to the Navy Federal Credit Union on December 12. It is the designated pick-up point for the Marines.

REMEMBER- we are teaming up with Casselberry Coin Club-Even if you are not a member of the Casselberry Coin Club you can bring you can goods donation with the Toys For Tots donation and I will see they get to CCC.

Please be generous, a can of food and/or a small toy is NOT a major expense, and there are many more who are less fortunate than us.

Upcoming Presentations

January 22nd -presentation by Tom Palmer

“Collecting U.S. Type Coins”

This promises to be a great presentation by one of our most avid collectors of type coins!

Make sure you are in attendance to see this presentation!

It is our goal to have one meeting per month, where a guest speaker (read-a member of the club) gives a short 20 minute presentation on a topic of their choosing-Numismatic related, of course.

We are always looking for volunteers to share their knowledge with the members-

The presentation doesn't need to be “show quality”, just get up and tell us what you know!
