CfCC Annual Holiday Celebration!

December 12th was the date and the VFW Post in Apopka was the place to be! The annual CfCC Holiday celebration was a great time to spend time with your fellow members and chat about whatever, while enjoying a bountiful buffet featuring carved ham and sliced turkey, along with the great assortment of sides, salads and desserts provided by the generosity of the members. If you went away hungry, it was your own fault!

Special thanks to Artie Vecchio-Commander, and Don Mix-Deputy Commander of the VFW post for the generous use of their facility.

Also to Keith Gandy for his usual culinary skills in the preparation and serving of the feast.

Toys for Tots

CfCC collected "Toys for Tots" at the Holiday Party to assist the US Marines in bringing Holiday joy to those less fortunate-

Thanks to all who contributed-we collected 94 toys for distribution by the Marines!

Thanks again to all who contributed!

Featured Coins!

January 9th, 2013

1945-P Jefferson Nickel - Graded MS66 by NGC

A frosty untoned superb-gem struck on the silver-manganese alloy used from 1942-1945 to conserve nickel for use by the armed forces in World War II. No distracting marks or blemishes, even when inspected under magnification. A choice example of the 'War Nickel' type that would fit nicely into anyone's collection.

PCGS Price Guide: \$65

Minimum Bid: \$40

1949 Roosevelt Dime - Graded MS66+ by PCGS

A beautifully original coin with concentric royal blue and deep red color typically witnessed on pieces stored in older coin albums.

Well struck for the date (though just missing the fully split bands on the torch on the reverse for the "FB" specification at PCGS).

Exceptional both in terms of eye-appeal and technical merits for the MS66 grade, this example earned the coveted "+" designation reserved for high-end specimens.

Minimum Bid: \$50

The highlight of the winter season, after the hustle and bustle of the holidays is behind us, is always the Annual F.U.N. Show. This year, the FUN Show runs from January 10th through the 13th at the Orange County Convention Center. Once again, CfCC will be handling the "front Desk" Registration.

BJ Neff is handling the "manpower" and scheduling for the registration desk- Please arrive 15 minutes prior to your scheduled shift to allow for a smooth "changing of the guard"!

Special award for Paul Bricker

In appreciation for his tireless work in recording the meetings, selling raffle tickets, publishing the Numis-Notes on a monthly basis, President Bob Russell presented an engraved lucite plaque and Certificate of Appreciation to Paul Bricker at the December Holiday Celebration. Paul has been tireless in his service to the Central Florida Coin Club.

Paul joined CFCC in March of 1996 and would have joined the board at that point, but the club rules mandate that you be a member for one year prior to joining the board.

Paul has been the editor of the newsletter for pretty much the entire time that he has been on the board. He took over from Ira & Jane Schatz. The newsletter has been in existence since 1993.

Paul has also sold the red raffle tickets at each of the meetings for as long as anyone can remember. He takes part in every club function (i.e. both FUN shows, Club Picnic, Holiday Party, Fairgrounds Booth). He helps at the front desk for every coin show and also assists the club when we handle Public Registration for the FUN Conventions by signing up for a shift there.

In recognition for many jobs well done- Central Florida Coin Club salutes Mr. Paul Bricker.

Upcoming Presentations

Our presentation for the January 23rd meeting will be presented by B.J. Neff-

"It is a doubled die, is it not?"

This should be a very interesting presentation, by one of the foremost experts in the Doubled Die field

Hope you will all look forward to being there and getting the straight scoop.
I'm sure B.J. will be happy to answer any questions also!

It is our goal to have one meeting per month, where a guest speaker (read-member of the club) gives a short 20 minute presentation on a topic of their choosing-Numismatic related, of course.

We are always looking for volunteers to share their knowledge with the members-
The presentation doesn't need to be "show quality", just get up and tell us what you know!

To schedule a time slot, please contact B.J Neff at one of the meetings, he will be glad to get you a time slot!

Also let us know if you need the projector/laptop, so we can have that available to you!
