## Spring Coin Show Recap

Our Spring Show was a huge success although not without a few mishaps (see page 5).

We sold over 135 tables and I had a wait list. I am also happy to report that our foot traffic was up which is a sign that our advertising is reaching our target market of collectors. We had several brand new dealers give the show a try; some from as far away as California and New York. I am glad that we are adding new people to our show family. It is a good sign that our show is continuing to grow.

I would like to thank Frank Guzman, Don Mix, Jim Hunter, Skip Pfeiffer, BJ and Jeanie Neff, Bob and Gerry Russell, Jay Dixon and Dan Aidif for the help that they gave our club with the set-up, tear down and general running of the administrative area.

We had a bunch of our members that were drawn as winners of the prizes offered in our Gold Raffle. Bob Dee, Barry Kahn, Bill Hancock and Mark Hollaman are all active member in our club and attend meetings regularly.

The complete list of winners is on page 4.

So now we get geared up for our Fall Show in September where we will go it all again.

Thanks to everyone that assisted to make our Spring Show a great success! As I always say, "I couldn't do it without all of you"!

Donna

# Featured Coin of the Meeting

**May 8th**

**1939-S Walking Liberty Half Dollar - AU50**

Although a supply of original rolls survived, this date is typically encountered in well-worn condition; thus the 1939-S "Walker" is a very tough coin to locate in mid-circulated grades.

This coin displays only moderate wear on the high points with some mint luster remaining in the protected areas of the design.

"Greysheet" Price: \$60

Minimum bid: \$50

**May 22nd**

**1885 Indian Cent - VF30**

A beautiful, even brown tone and sharp details make this nearly XF coin stand out in the crowd.

A scarce date from a very popular series.

PCGS Price Guide: \$35

Minimum bid: \$25

## What Happened Here?

Each month, we will post photos of a coin that has some type of "problem". The answer will be given in the following months Numis-Notes!

### This Months Mystery-

This month's peculiarity is a 1958-D Lincoln cent that weighs 1.77 grams. The normal weight for a wheat cent is 3.1 grams.

*What happened here?*

## Answer for last month.

If you thought that the coin was "struck through an object" you were on the right track. The 1975 (P) Lincoln cent was struck through a very, very late stage die cap, one that had all but vanished. There were still bits of metal from the die cap that had folded into the recesses on the die and extended into the field area that gave the letters the appearance of having wavy tails.

## REMINDER!

Don't forget! Dues are due before May 1st for the current year! After May 1st, names are purged from the drawing bin and you are not eligible for "Let's Make A Deal", Educational Award, or the membership award!

# CAMARAIDERIE AT IT'S FINEST

By: Bob Russell

[Note-this article was submitted to Coin World and Numismatic News also]

The Central Florida Coin Club, located in Orlando, Florida held its bi-annual coin show the week-end of April 5-7. Once again it was sold out with another record attendance obtained.

The second morning of the show the security team, who stay locked in all night, went through the daily routine of uncovering windows and doors. It was immediately noted one of the team's car had been stolen from in front of the building.

The police were notified, reports filled out but the young man was without transportation.

Midway through the day Brian Miller of North Port Coins stated he knew about half of the dealers in the building and Nick Boyd of Trader Nicks Coin said he knew most all the dealers present. These two coin dealers not even having met this particular guard decided to try getting a donation from all the dealers present to help the young man get some transportation.

It was a success beyond expectations with just under \$2000 being collected. The close knit community of coin dealers is truly amazing to watch when something such as this happens and help is needed.

As President of the Central Florida Coin Club and on behalf of the club I want to express a very sincere THANK YOU to every coin dealer who was present. They are a fine group of people.

# Cookout at Jim & Easter Hancock's

April 14th was the date of this fabulous cookout! If you were not there, you REALLY missed a great cookout. I am sure no one went away hungry. Jim and Easter opened up their yard and hospitality to all members of the Central Florida Coin Club, it was a shame that so few showed up! After stuffing ourselves with every kind of picnic foods imaginable (and then some), we were led off to the side yard for a rousing chorus of "Happy Birthday" for Jim's 70th birthday, which was followed by a cutting of the cake!

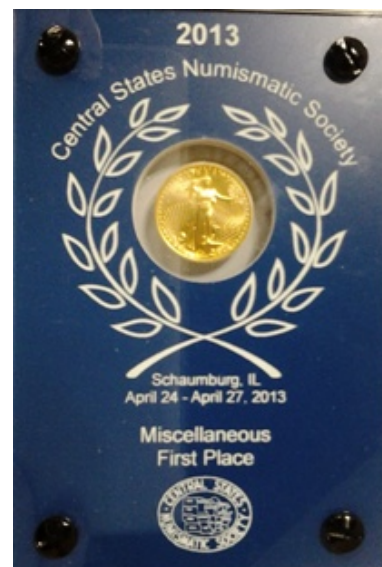

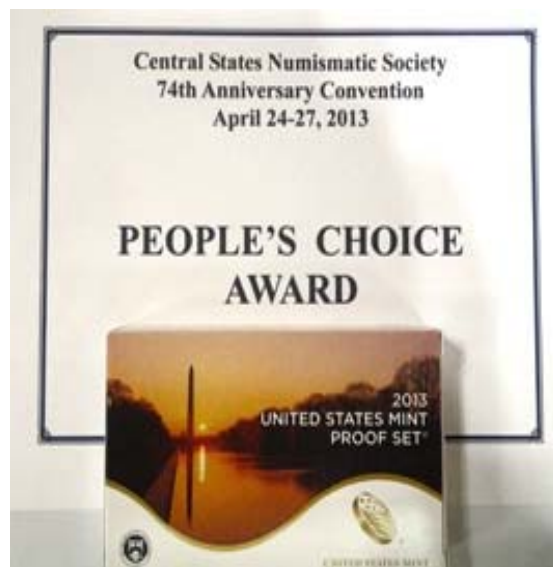

Thanks to Jim and Easter for their wonderful hospitality!

# Central States Coin Show

Our very own president, Bob Russell, won first place in the miscellaneous category, which earned him a 1/2 ounce gold eagle. He also won peoples choice award and received a 2013 proof set. With nine entries for "best in show" he came in second by a point (that's all it takes). Just for exhibiting he got a silver round and earned another silver round for judging. Congratulations Bob!

# Upcoming Presentations

There will be a an educational presentation at the May 22nd meeting,  
but the topic is unknown at this time!

NOTE: We are looking for speakers/presentations!  
See BJ Neff to reserve your spot !

It is our goal to have one meeting per month, where a guest speaker (read-a member of the club)  
gives a short 20 minute presentation on a topic of their choosing-Numismatic related, of course.

We are always looking for volunteers to share their knowledge with the members-

The presentation doesn't need to be "show quality", just get up and tell us what you know!
