Featured Coin of the Meeting

1916-D Buffalo Nickel - Choice VF

A picture-perfect Buffalo nickel free from blemishes or distractions of any note. Sharp details and exceptional eye-appeal.

PCGS Price Guide: \$39

Minimum bid: \$30

1939-S Walking Liberty Half Dollar - About Uncirculated

The S mint issues for the 'Walker' half dollars from the 30s & 40s are typically weakly struck, however this piece exhibits much of the fine details that are often lacking even from near-gem uncirculated examples of this date.

Only a modest amount of circulation is seen on this specimen and it has no distracting flaws. An under-rated date in terms of scarcity, as this date is usually encountered in much lower grades.

PCGS Price Guide: \$75

Minimum Bid: \$60

What Happened Here?

Each month, we will post photos of a coin that has some type of "problem". The answer will be given

REMINDER!

Don't forget! Dues were due before May 1st for the current year! **If you have not paid yet, your name has been purged from the drawing bin** and you are **not eligible** for "Let's Make A Deal", Educational Award, or the membership award! See Donna to keep your membership active!

This Months Mystery-

This month's question concerns superimposed images. A ghost image of the obverse is seen on the reverse face of the coin. Is this a die clash?

Answer for last month:

Last month we were asked if it is possible to have a two headed or tailed coin or token. The answer is "yes", it is possible and there are known examples. A two-tailed clad dime (1 known specimen, probably from 1965) and two-tailed clad quarter (2-3 known specimens, probably from 1965) are known to exist. There is also an 1859 Indian cent with two obverse faces (unique) and the 1863 Broas Pie Bakers token (Civil War Store card token) with two obverses as well. Of all the head/head or tail/tail coins and tokens, the Broas token is the most common.

Now that school has begun, keep a reminder on your calendar about coin club, so that you don't have to stay home and finish your homework. Get it done early! Also, remember that our Club's show is at the fairgrounds the last weekend of the month.

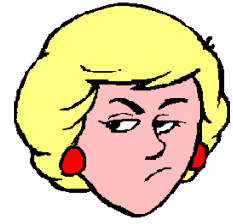

Our September meeting will be at 6:45 pm on September 11, 2013. Let's have a themed show and tell this month. Bring in items depicting or related to workers, in honor of Labor day. Use your imaginations. Bring in bills, coins or tokens from anywhere in the world and be prepared to talk a little bit about them.

See you soon!
Happy Collecting!

Toys for Tots/Food Drive

We are going to try something new this year-in cooperation with one of our sister coin clubs-The **Central Florida Coin Club** collects NEW and UNWRAPPED toys for the annual Toys for Tots drive sponsored by the U.S. Marine Corps. and the **Casselberry Coin Club** collects cans goods for WESH Share your Christmas. This year we will try assisting each other in these charitable endeavors. Any time between now and the cut-off date (to be determined) bring a NEW, UNWRAPPED toy or cans of food to either club's meeting and it will be stored until the donation time arrives.

Each toy donated will entitle the giver to five free red raffle tickets from the **Central Florida Coin Club**, after the initial purchase of raffle tickets has been made.

Each canned good donated will entitle the giver to one free raffle ticket for a chance at their all Silver prizes from the **Casselberry Coin Club**, after the initial purchase of raffle tickets has been made.

Let's see if we can get our combined coin club efforts published in **Coin World** and/or **Numismatic News** in their January/February issues.

SUMMER F.U.N. - 2013 ***PRESENTATIONS***

Last month I forgot to give an "Attaboy" to 2 of our members for giving excellent educational presentations at Summer Fun-

FUN board member BJ Neff and former FUN board member Tom Palmer gave educational talks at Summer FUN.

BJ is one of America's leading error and variety experts. He took a close look at some spectacular errors on U.S. Civil War Tokens.

Tom's program was titled, "Building a collection of US Type Coins". He addressed how to define a type set, and used half dollar types as an example. He also spoke about the unusual denominations of 1/2c, 2c, 3c, and 20c. Availability and price were given for all examples. More than 20 people attended Tom's talk.

Winter FUN-2014 **Public Registration**

(It's never too early to start planning!)

Pick your spot early! The sign-up sheets for the volunteer positions at FUN Public Registration and the FUN-CFCC table for the winter show are ready for your choice. Act now for this great event. See BJ Neff at any of the meetings and sign up!

Annual Gold Raffle

The raffle tickets have been printed and are on hand for any club member who wants to sell some for the club. Every member is encouraged to take a pack of tickets and SELL-SELL-SELL ! This is one of the major fund raisers for YOUR club! Only \$1.00 each or 6 for \$5.00. They will be available at the club meetings. See Bob Russell.

State of Florida Unclaimed Safe Deposit Boxes

For those who cannot travel very far here is a very advanced note for your calendars. The auction of unclaimed safe deposit box contents will be in Orlando next year (about Jun/Jul time frame). It will be at the hotel at the Florida Mall. The auction company founder/owner, Benny Fisher told me he would like to have it in Orlando on a permanent basis but the State Financial Office will not allow it. They prefer rotating from city to city so as to spread the wealth and keep the population happy. Watch this newsletter for further details

Club Exhibits

FUN has implemented a new category of judged exhibits - Club Exhibits- Any coin club may enter an exhibit, showing off who they are, what their accomplishments are, etc. Basically a brief synopsis of the organization. We are looking for memorabilia to put in this display (it will be a locked display, and you will get your items returned!). We are also looking for some volunteers to help “design” this display-You do not have to be artistic-just willing to assist! See Bob Russell for particulars!

Club History

Bob Russell has been diligently working on a very fascinating project for the club- A booklet entitled ***“The History of Central Florida Coin Club”***. Bob was able to find a copy of the “original” club history from inception in 1955 to 1978, BUT..... There is nothing recorded from that point on. Calling all the “Old Timers” of the club-Put on your thinking caps, go through your closets, drawers, attics-bring in any items, notes, memories that you have of the club, and let’s all help Bob out with this worthwhile endeavor-What a great way to record the history of YOUR club!

Upcoming Presentations

Cindy Wibker will give a power point presentation on "Exumania" at the September 25th CFCC meeting. Cindy has been collecting for many years- this is sure to be a fantastic presentation! Plan on attending!

NOTE: We are looking for speakers/presentations!
See BJ Neff to reserve your spot !

It is our goal to have one meeting per month, where a guest speaker (read-a member of the club) gives a short 20 minute presentation on a topic of their choosing-Numismatic related, of course.

We are always looking for volunteers to share their knowledge with the members-

The presentation doesn't need to be "show quality", just get up and tell us what you know!
