F.U.N. Show-2014

-By Cindy Wibker-FUN Show Coordinator-

FUN 2014 set several new records. I was concerned when we "lost" 40,000 square feet by moving into a smaller hall that we would have to downsize the show. With some creative table arrangements and approval of the fire marshal, we were able to squeeze in 620 booths and break last year's record of 612! FUN 2014 filled the room, wall to wall. We were also able to find space for all of our special guests - the ANA Roadshow exhibit displaying the 1913 nickel and 1804 dollar along with other impressive items, Mike Bean and his spider press, Eureka Minting striking special medals on the bourse floor, Piedmont Gold Panners, the Coins & Kids booth, Ray Dillard with his machine that rolls elongated collectibles, and Dennis Boggs as Abraham Lincoln. This group, along with our 15 educational programs and an impressive exhibit area, presented a wonderful opportunity for all of our attendees to broaden their knowledge base and help us promote our mission of education in numismatics. The final hammer price for the Heritage Auction sessions was \$81.95 million, which is a new record for a numismatic auction, topping the previous record held at the 2005 FUN 50th Anniversary Convention in Ft. Lauderdale. Six chartered buses, with financial aid from FUN, brought 235 people from our member clubs to the show. FUN 2014 was definitely a very successful show by all measures, and now the FUN board will go to work on Summer FUN 2014 and the January 2015 shows, both of which will be in the West Building of the Orange County Convention Center in Orlando. I hope to see you all there!

What Happened Here?

For all the followers of this column, I'm sure you are asking "What Happened Here?" This column will be taking a break, and hope to have a similar column soon.

Answer for last month:

Last month we looked at a 1998-D Lincoln cent that has what appears to be a brockage or double struck. I have seen more than a few people fooled by this, even with the coin in hand. The coin has a glue surface on it that has had another coin impressed into the glue. It appears that the coin has been double struck, but in reality, it has not. Generally a dip into pure acetone (NOT fingernail polish remover) will rid the coin of glue.

Our booth must be staffed on the following dates February 28, March 1, 2, 7, 8 and 9 Through-out the Fair the building hours will be 4pm-10pm Monday-Friday; 10am-10pm Saturdays and 11am-10pm Sundays.

There will be a Kids Day on February 28th and we would need someone to be there from 9 am - 12noon.

Perhaps you could plan to donate 3-4 hours of your time to the club on one of those days?

If you have anything that you would like to contribute to the display at the fair please let me know.

We need to prepare a display that will showcase our club and coin collecting in general.

The purpose of us being at the fair is to try to educate the public about our hobby and perhaps in the process attract new members. The fair supplies the volunteer with parking and a ticket for admission to the grounds.

Thank you for your assistance! Donna

Vice-President's notes

-BJ Neff-

The winter F.U.N. Convention once again proved to be a resounding success.

We broke the previous year's record for the amount of tables sold, the amount of dealers and the overall amount of attendees.

The show had an attendance of 11,000, which surpassed last year's attendance of 10,200.

I do want to thank the following people who did give their time and effort at the F.U.N. Public Registration; Dan Aidif, Robert Cole, David Elliot, Easter Hancock, Jim Hancock, David Mynchenberg and Charles Pfeiffer.

Special thanks to Steve and Zach Lauer, who not only worked the Public Registration, but also stayed late Sunday to help break down that station.

Thank you all!

Due to a conflict of interest, I have resigned my post of Vice President at Central Florida Coin Club. I found that I could not adequately represent both the CFCC and the FUN organizations at the same time. I do apologize for any inconvenience that this may cause, but I do feel that it is the best overall action that I can take.

I also would like to apologize to some of the FUN Board of Director members who were verbally attacked over the CFCC / FUN volunteering at Public Registration.

This was uncalled for since it was not their fault. It was not anyone's fault even though it may be perceived as such.

In an afterthought, I think that we have lost the meaning of the word "volunteer" (to give of oneself freely without the offer of compensation). This seemed to be the crux of the problem this time for volunteering at FUN Public Registration. Hopefully, this problem can be resolved and both the CFCC and FUN organizations can once again establish the friendship that was once prevalent between the two clubs.

Upcoming Presentations

February 26 -presentation by Tom Palmer

“Collecting U.S. Type Coins”

(Publishers note-we promise that the third time is the charm on this one!)

This promises to be a great presentation by one of our most avid collectors of type coins!

Make sure you are in attendance to see this presentation!

It is our goal to have one meeting per month, where a guest speaker (read-a member of the club) gives a short 20 minute presentation on a topic of their choosing-Numismatic related, of course.

We are always looking for volunteers to share their knowledge with the members-

The presentation doesn't need to be “show quality”, just get up and tell us what you know!
