Summer FUN

-By Cindy Wibker-

The 8th Annual Summer FUN convention is now history, and according to all the comments I heard it was a smashing success! First and foremost, I want to thank the members of CFCC for staffing the public registration counters. I apologize that I don't have a list of names so I can thank you individually in this article. Your dedication is greatly appreciated!

We had 5 buses loaded with club members come to the show. Four arrived on Friday (West Hernando, Ocala, Jacksonville and Palm Beach) and one (Sarasota) arrived on Saturday. It's always rewarding to see some of our FUN member clubs take advantage of FUN's offer to help get their members to and from FUN conventions. We also had the club get-together and luncheon on Friday, and I hope CFCC had two representatives at that meeting.

We increased our educational seminars from 5 to 6 this year. If any of you ever want to be a guest speaker at a FUN convention, contact any FUN board member and let them know. Randy Campbell sets the schedule of speakers but is always looking for new speakers and fresh material and topics.

Every dealer I talked to said they had a great show. Public attendance at Summer FUN holds steady at about 3,000 over the 3 days. That does not include the 500-600 dealers with photo ID badges. Bob Russell rounded up a super group of educational exhibits. We also had our special Coins & Kid area, and you could pan for gold. Heritage also reported impressive auction results. There was no shortage of activities at this convention, so I hope all of you had the opportunity to attend and take advantage of what FUN had to offer to you! If you had to dodge a basketball in the hallway, I apologize. I am confident we will never be beside an active group like that one in the future. That was our only unforeseen circumstance this year. All in all, a very successful convention!

As collectors know, grading is subjective to ones' own opinion. The grade of these coins is listed for reference, and are the opinion of the grader.

What Happened Here?

This month's teaser is encountered more often than thought. However, it is usually mislabeled as to what it is.

What happened here?

The answer will be in next month's Numisnotes.

Robert (BJ) Neff, NLG

Answer for last month:

Last month's mystery coin is shown here. Did you find the three things that are incorrect with the designs seen on the reverse?

This is the infamous 1801 large cent that had a reverse struck with three design errors. The first and more obvious was the word "IINITED" being misspelled. The fraction "1/000" was incorrect and should have been "1/100". The least obvious was the missing left stem. The image below has red arrows pointing to the errors.

Welcome New Members

Maybe next month we will have a contribution by one of our YN's

Presidents Corner

Time for another Presidents message.....boy, these months go by fast!

This summer has been just full of numismatics for me.

By the time you read this, I will be heading to Chicago for the ANA show. It seems I just got back from ANA Summer Seminar.

I hope you all had a chance to spend some time at Summer FUN-which is always a great experience. I would like to thank all of the members who generously donated their time for manning the booth at public registration, exhibited, and also several members that gave presentations and seminars at the FUN show. It is great to know we have so much talent and knowledge in the club.

Giving you a little “peek behind the scenes” as to what your board of directors has been up to, there are a lot of things that we has been working on these past few months, many of them not so glamorous and visible, but necessary for the club to move forward, along with a couple of things that will hopefully make the club even better than it is now.

Being new to this position, I wanted to see where our strengths and weaknesses were. With the expertise of Jim Hancock guiding us, we are concluding an internal audit of the club. I would like to thank Jim, Donna, and all of the other board members who have been forthcoming in providing and compiling all of the necessary information needed to complete this task.

We are working to revamp a few of the existing programs, and making improvements to some of the things we have been doing in the past to make them more successful for the club. We will also be looking for some member input on a few programs to get a better feel for what you, the members, like now and what you would like the club to do in the future. Everybody’s input will be considered-we want to make this YOUR club. Make sure you attend the meetings to be part of these surveys.

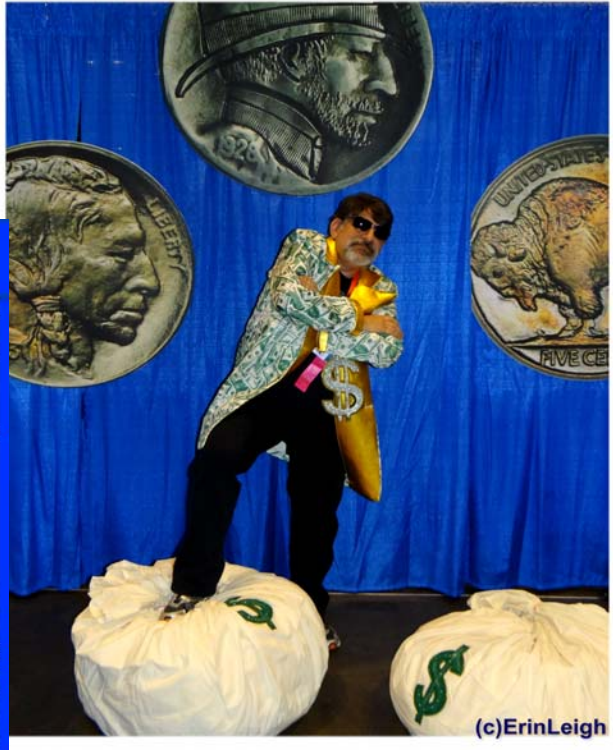

Don’t forget, we have our annual “Fall Coin Show” coming up in September. Like I said in last month’s “President’s Corner”-I am looking forward to getting EVERYONE involved in the club. Looking around, there are far too many members who come and enjoy the benefits, but do not contribute. We are always looking for volunteers to man the registration table, help with set up and tear down, and many other “behind the scenes” tasks that go un-noticed. With everyone’s help, it will make things easier for everyone.

Stay tuned for more exciting news.....

Zach

Unclaimed Property Auction

The annual State of Florida Unclaimed Property Auction (read: Safe Deposit Box Contents) Has been scheduled for August 8th and 9th here in Orlando at the Doubletree - Hilton Airport Hotel, 5555 Hazeltine National Drive, Orlando FL, 32812. Friday the 8th items for auction can be inspected from 9:00 AM to 5:00 PM. The auction will take place Saturday the 9th starting at 10:00 and going until it is over.

To inspect and then bid one has to register and pay \$100. If one does not win any lots the \$100 is returned. If one does win a lot, or several the \$100 is used as payment towards the lot/s. Having the \$100 up front fee keeps the sight seekers out.

A full catalog of items to be auctioned is published on line about 30 days before the auction. Look for it around July 8th. One can also spend money and order a hard copy via mail or buy one the day of the auction.

HISTORY OF THE CENTRAL FLORIDA COIN CLUB

The hardest part of any job is to get started! Bob Russell has got a start on the History of the Central Florida Coin Club, and is willing to share the opportunity of learning about the clubs history with other members of the club. We are looking for someone or a group of people to take this over as a "Club Project". Bob has given me everything he has collected thus far, which I understand is a decent chronology of the early years of the club.

Which one of our dedicated members (or group of members) is going to be the first to volunteer to keep the history going? Let's get a committee set up to canvas our members-see what else we can come up with, maybe make it into a display for FUN-Club Exhibit!

Upcoming Presentations

August 27th -presentation by -????

This months guest speaker is yet to be announced!

It is our goal to have one meeting per month, where a guest speaker (read-a member of the club) gives a short 20 minute presentation on a topic of their choosing-Numismatic related, of course.

We are always looking for volunteers to share their knowledge with the members-
The presentation doesn't need to be "show quality", just get up and tell us what you know!
