## The Picnic, October 28th

We'll be returning to the park in Sanford, Florida this year for our picnic. It is located off Oregon Ave. in Sanford. It has a really nice pavilion and play area for kids. There is plenty of parking up close to the pavilion and of course we will have our "barbecue extraordinaire" Mr. Keith Gandy on hand to prepare your entrée as you request.

Tickets for this event are \$6.00 for regular members. Hamburgers and hot dogs for the kids \$3.00 for YNs. You will need to have your orders placed in advance, so make your plans to attend. If you have not all ready made arrangements to attend please let Donna know that you are coming so that there will be enough food for everyone. (Both she and Chef Keith kind of keep track of the numbers so they don't run short of anything at the actual event). Call her, and then mail a check or pay at the event.

The menu will be as we've done in the past with an offering of chicken, beef or fish as the entrée' and as a trial, we're canvassing to see if there is interest in crabs. If there's enough interest, we'll boil up a pot full. Be sure to let Donna know, (and provide a second choice, "just in case"). Then in addition to that we will have all the fixings there as well. There will be baked white and sweet potatoes, onions and mushrooms, salads and the other usual picnic fare. . Bring your own steak knives, unless you want to struggle with plastic. Lots of games, with prizes, of course. We'll Start about 11:00 AM

An almost-VF coin with a 25 degree counter-clockwise rotated reverse.

PCGS Price Guide: \$45 in Fine

Minimum Bid: \$35

### 1889 Morgan Dollar-MSS63

A better date in high grade, the 1889 issues from Philadelphia are often weakly struck with dull luster.

This specimen has an above average strike and an exceptionally frosty glow.

A few modest contact marks hold this piece from a higher grade.

PCGS Price Guide \$70

Minimum Bid: \$40

## Mint Marks

**Show n Tell**– Some great stuff these past meetings-

Skip Pfeiffer read an article about a token made from the hull of the USS Constellation. The article ultimately wrote that the piece could not have come from there. He looked into his collection and found that he had a specimen of the token.

CL Wyatt told of purchasing 'silver' dollars at a flea market, only to find out that they were very well done counterfeits.

Tom Palmer's presentation, "Bust Half Dollars .. A collector's dream" was excellent.

## YN Corner

I've been really busy, guys and girls ,but just a reminder ..... Don't forget the picnic on October 28th, (and bring your parents)

Next YN meeting– October 10th at 6:45.

Happy Collecting!

## Show News-

### Special Thanks to the Set Up Crew.

(Gerry and Bob Russell, Skip Pfeiffer, Ron Hunter, Jay Dixon, Bob Wollnick and Jeff Moon)

I want all of you to know that this set up and Break down was the smoothest of any that we've had. We were able to get everything into the building and set out in plenty of time before dealers arrived for move in. Skip and Ron were a great help setting out all of

the cases and lights that had been rented. Gerry did the count of all the tables and chairs, Both Bobs sold early bird passes on Thursday which was a big help. Dan, Jay, Gerry, Jeanie and David were a huge help in getting table covers, cases & lights back into their proper places after the show so they could be loaded up by Don, Jay, Ron and Frank. All in all everyone did a great job of helping with the nuts and bolts of the show. I say this every time ..... Folks, I could not do it without each and every one of you! Thanks so much for your time and efforts to make our show the success that it was!

## Additionally

Thank you and my appreciation to the following volunteers without who the show would not have been as smooth: David Gold, Joe Apfl, Alan Gorewitz, Dan Knapp, Gerry Russell, Jay Dixon, Bob Cole, Bob Wollnick, Margaret Anderson, Jim Hancock, Eva Poland, David Elliott, David Mynchenberg, Lee Brown, Ron Hunter.

One Silver coin was claimed from the tub of "give away coins" by Alan Morgan of Telstar Coins.

Raffle ticket sales were down, but not due to any lack of effort on the volunteers' part. People were just not buying.
