Just a reminder!

Not that any regular member needs one, but the show is upon us.

For those of you who've signed up for a shift at the registration table, remember your shift. If you haven't signed up yet, there's one last chance at the next meeting. And in case your situation changes and you can't make your shift, please call Bob and let him know. For the other crew members Donna can't do it alone. If you've volunteered to help, please show up and do your share.

Numisnotes is going paperless!

Over the past couple of meetings we've asked for your e-mail address. We've compiled a mailing list of addresses, and the last paper edition of this newsletter will be published effective with the December 2012 edition. In January the 'Notes will be mailed to your e-mail address, or you can retrieve a copy from the Archives.

1934 Washington Quarter-MS64

Medium Motto Type.

This coin is a crisp white color with blazing luster and is very well made. It has the appearance of a higher grade, but under magnification shows some minor scuffs. A beautiful gem at a bargain price.

Hits n Misses

Brook Anderson and Bill Fouraker missed the early call. Bob Hall didn't and chose envelope #1. He then took the bid for the envelope. When opened it contained \$3 worth of gold raffle tickets. Francis Colecio was not present, so Easter Hancock was awarded the certificate for a numismatic publication. The late draw was an extended thing Cliff Beddingfield, David Morales, Betty Barber, James Ault Jim Aimes, John Lamay, Jerry Bendure and John Hoeffler ceded the silver dollar to David Mynchenberg.

The second meeting draw was quick: Steve Valis was not present, so Paul Bricker chose to make a deal. Turning down a bid, he kept the envelope.

And the vendor of raffle tickets won\$3 worth of raffle tickets. Mike Barton did not come in from Nebraska, so Jay Dixon won the publications certificate, to the benefit of the YNs. Lee Brown was in attendance and claimed the late silver dollar award.

Picnic in October

Don't forget to bring your parents!

Happy Collecting!

Dan Aidif

Picnic

October 28th, starting at 11:00.

Derby Park, 1801 Lowe Ave.,
Sanford, FL

Tickets for adults are still \$6.00 for your choice of steak, fish or chicken. YN tickets are \$3.00 for their choice of hamburgers or hot dogs.

Please see Donna at a meeting or the show if you are interested in attending. You don't want to miss all the good food cooked by our very own Keith Gandy. He cooks everything to order. If you leave hungry it is your own fault. This truly is a bargain. We play games and prizes are awarded to the winners. This park has loads of things for the YNs-swings, slides, monkey bars There's a picnic shelter seating about 100 folks, with BBQ grills and rest rooms. Play equipment and Tot lot.

And we're going to try something new this year. Blue Crabs. If you've experienced steamed blue crabs we're OK to go. If you've never tried crabs bring a stout (not too sharp) knife and a nut cracker or mallet. We'll show you how to get the meat out. .. We'll be conducting a survey to see just how much interest there is for "cracking crabs". Please mention it to Donna when you sign up. All the rest of the traditional picnic fare will be there: chips, relish trays, baked sweet and white potatoes, baked beans, green beans with onions, mushrooms, onions, salad, fruit salad and cobblers. Make sure you sign up with Donna, so we can get a count.

Mint Marks

Show n Tell-

"Skip" Pfeiffer brought in a very neat stick pin from Japan.

These pins (long ago) were presented to the crews of US Navy vessels when they ported in Japan. Each pin was in

a balsa wood box and the boxes were even marked with a greeting from Japan "Welcome US Navy from America's Friend Association". Needless to say this was before Pearl Harbor

Cindy Wibker FUN Convention Coordinator, and a member of CFCC, exhibited "Unusual 'Good For' Tokens" at the latest FUN. Bob Russell, continually urges members to exhibit at the coin shows, and Cindy is another example of the fun that collecting and showing is.

The Medallions- The silver copies of the CFCC medallions are now \$36. Any member who previously bought one at the earlier price are urged to see Bob for a refund of the difference.

More **Show n Tell-** **Tom Palmer** has completed his "Copper Type Set" with his recent acquisition of a 1835 R/B MS64 Half Cent. Another great presentation by **Dave Strzalski**: The Secret of the 1928B Series Federal Reserve Note. A great presentation with illustrations of the '28B FRN with it's variations and the 'secret' mark on the note.
